

Rider Terms & Conditions

Independent Delivery Contractor Agreement

Effective Date: Upon Account Registration or First Platform Access

Jurisdiction: Republic of Ghana

About This Agreement

eat4me is a technology platform that connects independent home cooks and chefs with customers. Riders are the final link in that connection — and we take that seriously.

This Agreement sets out exactly what you can expect from eat4me, what we expect from you, and how the relationship works. You are an independent contractor operating your own delivery business — not an employee of eat4me. You choose when to work, which orders to accept, and how to manage your own operations.

Please read this Agreement carefully. By registering as a rider or using the eat4me platform, you confirm that you have read, understood, and agreed to be bound by these Terms.

1. Introduction & Acceptance of Terms

1.1 Purpose of This Agreement

These Rider Terms & Conditions ("Terms" or "Agreement") constitute a legally binding agreement between eat4me ("eat4me," "the Company," "we," "our," or "us") and any individual who registers, is approved, or operates as a delivery rider on the eat4me platform ("Rider," "you," or "your").

The purpose of this Agreement is to clearly define:

- The relationship between eat4me and its riders
- The rights, responsibilities, and obligations of riders

- The rules governing access to and use of the eat4me rider platform
 - The operational, payment, safety, and conduct standards expected of all riders
- eat4me operates as a technology-enabled platform that connects customers, chefs, vendors, and independent delivery riders. Nothing in these Terms shall be interpreted as creating an employment, partnership, joint venture, or agency relationship between eat4me and any rider.

1.2 Acceptance of Terms

By registering for an account, completing onboarding, accepting delivery requests, or otherwise accessing or using the eat4me rider platform, you:

- Confirm that you have read, understood, and agreed to be bound by these Terms in full;
- Represent and warrant that you have the legal capacity and authority to enter into this Agreement; and
- Agree to comply with all applicable laws, regulations, and guidelines governing delivery operations in the Republic of Ghana.

If you do not agree to these Terms, you must not register for or use the eat4me rider platform.

1.3 Effective Date

These Terms become effective on the date the Rider first accepts them electronically during registration or onboarding, or on the date the Rider first accesses or uses the eat4me platform — whichever occurs first. From that date, these Terms govern the entire relationship between eat4me and the Rider unless amended or terminated in accordance with these Terms.

1.4 Independent Contractor Declaration

The Rider expressly acknowledges and agrees that:

- They are entering into this Agreement as an independent contractor and not as an employee, agent, partner, or representative of eat4me.
- eat4me does not direct, supervise, or control the manner in which the Rider performs deliveries, selects routes, or manages their working hours.
- The Rider is free to work for other platforms and clients simultaneously, provided such activity does not breach these Terms.

-
- eat4me is not responsible for the Rider's tax obligations, insurance, regulatory compliance, or any other obligations arising from the Rider's independent business operations.

No employment relationship, entitlement to employee benefits, or statutory employment rights arise from this Agreement or from the Rider's use of the eat4me platform.

2. Eligibility & Rider Requirements

2.1 Minimum Eligibility Criteria

To register and operate as a delivery rider on the eat4me platform, an individual must meet and continuously maintain the following minimum eligibility requirements:

- Be eighteen (18) years of age or older at the time of registration;
- Possess a valid government-issued identification;
- Own, lease, or have authorized access to a roadworthy delivery vehicle (motorbike, bicycle, or any other delivery method approved by eat4me);
- Own and maintain a smartphone capable of running the eat4me rider application with stable internet access;
- Demonstrate the ability to safely and reliably perform delivery services.

Failure to meet or continuously maintain these requirements may result in denial of registration, suspension, or termination without prior notice.

2.2 Legal Documentation & Compliance

Riders must provide and maintain all legally required documentation, including but not limited to:

- Valid national identification (e.g., Ghana Card or Passport);
- Valid driver's license (where applicable for the delivery vehicle operated);
- Vehicle registration documents (where applicable);
- Any permits or authorizations required by local or national law to operate a delivery vehicle.

•

Riders are solely responsible for ensuring that all documents remain valid, current, and compliant with Ghanaian law at all times. eat4me does not guarantee the accuracy of submitted documents and is not responsible for verifying the authenticity of government-issued documents beyond reasonable platform checks.

2.3 Vehicle Standards & Roadworthiness

- Delivery vehicles must be safe, clean, and in good working condition at all times.

eat4me reserves the right to inspect or request evidence of roadworthiness at any time.

- Riders must ensure their vehicles comply with all applicable traffic, safety, and environmental regulations.

eat4me bears no responsibility for vehicle maintenance, fuel, repairs, insurance, or any other operational costs. These are the sole responsibility of the Rider.

2.4 Physical & Mental Fitness

Riders must be physically and mentally fit to perform delivery services safely and efficiently at all times. Riders must not operate while:

- Under the influence of alcohol, drugs, or any intoxicating or impairing substances;
- Experiencing medical conditions that impair judgment, reaction time, or physical ability.

eat4me reserves the right to suspend riders who are reasonably believed to pose a safety risk to themselves, customers, chefs, or members of the public.

2.5 Background Checks & Verification

- eat4me may conduct background checks, identity verification, or screening as permitted by applicable law.
- Submission of false, misleading, or incomplete information during any verification process will result in immediate disqualification or termination.
- eat4me does not guarantee the outcome of background checks or verification processes and reserves the right to decline applicants without providing reasons.

2.6 Ongoing Compliance Obligation

Eligibility is not a one-time requirement. Riders must continuously comply with all eligibility conditions throughout the duration of this Agreement. eat4me may suspend or deactivate rider accounts where eligibility is no longer met, without prior notice where safety is a concern.

•

2.7 Right of Refusal or Removal

eat4me reserves the sole and absolute right to approve or reject any rider application, suspend or terminate rider access where eligibility requirements are violated, and require updated documentation at any time. Such actions may be taken without prior notice where necessary to protect platform integrity or public safety.

3. Rider Registration & Account Verification

3.1 Rider Account Creation

To operate as a delivery rider on the eat4me platform, an individual must successfully create a rider account by completing the registration process through the eat4me mobile application or website. During registration, riders must provide accurate, complete, and truthful information including:

- Full legal name as it appears on official identification;
- Valid email address and phone number;
- Residential or operational location;
- Required identification and licensing documents;
- Vehicle details where applicable. eat4me reserves the right to reject or suspend any registration that contains inaccurate, misleading, or incomplete information.

3.2 Document Submission & Verification

Riders are required to upload or submit documentation for verification purposes, including government-issued identification, driver's license and vehicle registration where applicable, and any additional documents requested by eat4me for compliance or safety reasons. eat4me may verify documents internally or through third-party verification providers. Approval to access the platform is granted only after successful verification.

3.3 Account Approval & Activation

- Submission of registration information does not guarantee approval.
- eat4me retains full discretion to approve, delay, or decline rider applications without obligation to provide reasons.
- Once approved, the rider account will be activated, allowing access to delivery requests on the platform.

3.4 Account Security & Responsibility

Riders are solely responsible for maintaining the confidentiality of their login credentials, restricting access to their account, and all activities conducted through their account whether authorized or unauthorized. eat4me shall not be liable for losses resulting from compromised accounts due to rider negligence or failure to maintain account security.

3.5 Prohibition on Account Sharing or Transfer

- Rider accounts are personal and non-transferable.
- Riders may not sell, lend, assign, or allow third parties to access or use their account under any circumstances.
- Any unauthorized use of a rider account will result in immediate suspension or permanent termination.

3.6 Accuracy & Updates of Information

Riders must ensure that all account information remains accurate and up to date at all times. Changes to contact details, vehicle status, licensing documents, or eligibility status must be updated promptly through the platform. Failure to update information may lead to service disruptions, account suspension, or termination.

3.7 Multiple Accounts

- Riders are prohibited from creating or operating multiple accounts without express written approval from eat4me.
- Duplicate or fraudulent accounts will be permanently deactivated and may result in legal action.

3.8 Audit & Compliance Rights

eat4me reserves the right to audit rider accounts, documentation, and activity at any time to ensure compliance with these Terms and applicable laws. Riders must cooperate fully with any such audit.

¹. Rider Roles, Responsibilities & Conduct

4.2 Acceptance & Completion of Deliveries

- Riders may freely choose when to log in and accept delivery requests. This freedom of choice is fundamental to the independent contractor relationship.

¹.1 Scope of Rider Services

Riders agree to provide on-demand food delivery services through the eat4me platform by collecting prepared meals from approved chefs and vendors and delivering them to customers

- Once a delivery request is accepted, the Rider is expected to complete the delivery promptly and diligently, except where prevented by circumstances genuinely beyond reasonable control.
- Repeated failure to complete accepted deliveries without valid justification may result in performance review, suspension, or termination.

4.3 Professional Conduct Standards

Riders must maintain a high standard of professionalism at all times, including:

- Respectful and courteous communication with customers, chefs, vendors, and eat4me staff;
- Polite and professional behavior during meal pickup and delivery;
- Appropriate personal appearance and hygiene suitable for food delivery services.

Any form of harassment, intimidation, discrimination, threatening behavior, or abuse — whether verbal, physical, or digital — is strictly prohibited and may result in immediate termination.

4.4 Prohibited Activities

Riders must not engage in any of the following:

- Fraud, theft, or any form of misrepresentation;
- Tampering with, opening, consuming from, or altering meals or delivery packaging;
- Demanding unauthorized payments, gratuities, or additional fees from customers or chefs;
- Sharing, copying, or misusing customer or chef contact information or personal data;
- Using the platform for unlawful, unauthorized, or unethical activities;
- Accepting deliveries on behalf of another rider or allowing any third party to perform deliveries under their account;
- Soliciting customers to place orders outside the eat4me platform.

Violation of this section may result in immediate termination and may be reported to relevant law enforcement authorities where applicable.

in a timely, safe, and professional manner. Riders acknowledge that eat4me does not guarantee any minimum number of delivery requests, working hours, or earnings.

4.5 Confidentiality Obligations

Riders may have access to confidential information, including customer details, order data, delivery addresses, and platform operations. Riders agree to:

- Use such information solely for the purpose of completing the specific delivery for which it was provided;
- Not disclose, copy, retain, sell, or misuse confidential information for any other purpose;
- Not contact customers using platform-acquired information after delivery completion;
- Comply with eat4me's Privacy Policy and Ghana's Data Protection Act, 2012 at all times.

Breach of confidentiality obligations may result in immediate termination and legal action.

4.6 Compliance with Instructions & Policies

Riders agree to comply with platform instructions provided through the app, operational guidelines issued by eat4me from time to time, and all applicable laws and regulations of the Republic of Ghana. Failure to comply may result in disciplinary action, suspension, or termination.

4.7 Independent Decision-Making

Riders operate as independent contractors and make their own decisions regarding routes, schedules, and delivery methods. While eat4me sets minimum service standards to protect customers, chefs, and platform integrity, these standards do not constitute supervision or control of the Rider's independent operations.

5. Use of the eat4me Platform

5.1 Authorized Use Only

The eat4me rider platform, including the mobile application, website, software, systems, and related services ("Platform"), is provided solely for the purpose of facilitating legitimate delivery services. Riders may only access and use the Platform in accordance with these Terms, eat4me's operational policies and guidelines, and applicable laws and regulations of the Republic of Ghana. Any use outside this scope is strictly prohibited.

5.2 Platform Access & Availability

- eat4me does not guarantee uninterrupted or error-free access to the Platform.
- Access may be limited, suspended, or interrupted due to maintenance, system upgrades, technical failures, or security concerns.
- eat4me shall not be liable for losses arising from temporary unavailability of the Platform, including loss of delivery opportunities or earnings.

5.3 Order Management & Platform Instructions

Riders agree to review delivery details carefully before accepting orders, follow all pickup and delivery instructions displayed within the Platform, and update delivery status accurately and in real time. Failure to properly manage orders through the Platform may negatively impact rider performance evaluations and access to delivery opportunities.

5.4 Prohibited Platform Activities Riders

must not:

- Attempt to manipulate, reverse-engineer, hack, or interfere with the Platform or its systems;
- Use bots, automated scripts, GPS spoofing tools, or unauthorized software;
- Access another rider's account, data, or delivery history;
- Circumvent system controls, payment mechanisms, or order allocation systems;
- Introduce malware, viruses, or any harmful code into the Platform.

Any such actions may result in immediate suspension, permanent termination, and potential criminal or civil legal action.

5.5 Data Usage & Monitoring

eat4me reserves the right to monitor rider activity for compliance, safety, and quality control, collect operational data including GPS and delivery performance data for analytics and improvement, and use anonymized data for business and research purposes. All monitoring is conducted in accordance with eat4me's Privacy Policy and applicable data protection laws.

5.6 Reporting Technical Issues

Riders must promptly report app malfunctions, order discrepancies, GPS or routing errors, and any system irregularities affecting delivery operations through official eat4me support channels.

Failure to report issues that affect delivery accuracy or platform integrity may result in service disruptions or adverse performance records.

5.7 Suspension of Platform Access

eat4me may temporarily suspend a Rider's access to the Platform for system maintenance, investigation of suspected violations, or security concerns. Such suspension does not constitute termination unless expressly stated otherwise in writing by eat4me.

6. Delivery Standards & Safety

6.1 General Delivery Standards

Riders agree to perform all delivery services with due care, diligence, and professionalism, ensuring that meals are delivered in a condition consistent with food safety, hygiene, and customer satisfaction standards. Riders must:

- Deliver orders within the estimated timeframe where reasonably possible;
- Ensure meals remain sealed, upright, and intact during transit;
- Confirm correct order pickup before departing from the chef's location;
- Confirm correct delivery to the right customer and address before completing the order.

6.2 Compliance with Traffic & Safety Laws

Riders must strictly comply with all road traffic laws and regulations of the Republic of Ghana, local bylaws and safety requirements, and all applicable safety equipment requirements including helmet use, reflective gear, and protective clothing. eat4me does not encourage, condone, or permit unsafe driving, speeding, or reckless riding under any circumstances. Violations of traffic or safety laws while operating as an eat4me rider may result in immediate suspension or termination.

6.3 Food Handling & Hygiene

- Meals must be handled in a hygienic and careful manner throughout the delivery process.
- Riders must never open, taste, consume from, alter, or tamper with any order under any circumstances.

- Delivery bags and containers must be clean, food-safe, and appropriate for transporting prepared meals.
- Meals must be protected from contamination, extreme temperatures, and physical damage during transit.

Any breach of food handling standards constitutes a serious violation of these Terms and may result in immediate suspension and termination.

6.4 Rider Safety & Personal Responsibility

Riders acknowledge that delivery services involve inherent risks, including road accidents, environmental hazards, and personal safety risks. Riders are solely responsible for their personal safety during delivery operations, the safe and lawful operation of their delivery vehicle, and taking all reasonable precautions while performing deliveries. eat4me shall not be liable for injuries, accidents, or damages arising from a Rider's negligence, unsafe conduct, or failure to comply with applicable safety laws.

6.5 Accidents, Incidents & Emergencies

In the event of a road accident, personal or third-party injury, theft, loss, or damage to meals or property, the Rider must:

- Prioritize personal safety and the safety of others, and seek emergency assistance where necessary;
- Immediately notify eat4me through official channels as soon as it is safe to do so; •
Provide accurate, complete, and timely incident reports and supporting information;
- Cooperate fully with eat4me and relevant authorities in any investigation.

6.6 Delivery Failures & Exceptions

Where a delivery cannot be completed due to circumstances genuinely beyond the Rider's reasonable control — such as unsafe conditions, inaccessible delivery locations, or incorrect customer details — the Rider must notify eat4me promptly and follow instructions provided by the Platform or support team. Unauthorized cancellation, abandonment, or failure to communicate delivery failures may result in performance penalties or account suspension.

6.7 Zero Tolerance for Reckless Behavior

eat4me maintains a zero-tolerance policy for reckless driving or riding, operating under the influence of alcohol or drugs, endangering customers, chefs, or members of the public, and violent, threatening, or intimidating behavior during delivery operations. Violations will result in immediate termination and may be reported to relevant law enforcement authorities.

7. Payments & Compensation

7.1 Basis of Compensation

Riders shall be compensated for successfully completed deliveries facilitated through the eat4me platform. Compensation may be calculated based on factors including distance covered, time spent on delivery, order volume or complexity, demand conditions, and applicable incentives, bonuses, or promotional campaigns. eat4me does not guarantee a minimum number of deliveries or earnings, and Riders acknowledge that earnings may vary significantly based on demand, location, time of day, and other factors.

7.2 Rider-Selected Payment Frequency

Upon registration or through the rider dashboard, riders may select their preferred payment frequency, subject to platform availability:

- Daily Payments; or
- Weekly Payments.

Once selected, the chosen payment structure shall apply to all completed deliveries within that cycle. Changes to payment frequency may only take effect after a defined notice period determined by eat4me to allow for system reconciliation.

7.3 Payment Method

Payments shall be made using approved payout methods including but not limited to Mobile Money and Bank Transfer. Riders are solely responsible for providing accurate and valid payment details. eat4me shall not be liable for delayed or failed payments resulting from incorrect, outdated, or invalid information supplied by the Rider.

7.4 Payment Statements & Transparency

Riders will have access through the rider dashboard to delivery history, earnings summaries, and applicable deductions or bonuses. Such records shall be considered accurate and final unless formally disputed in accordance with Section 7.6 within the applicable dispute window.

7.5 Deductions, Adjustments & Recoveries

eat4me reserves the right to make lawful deductions or adjustments from Rider payments for:

- Cancelled or failed deliveries attributable to Rider fault or negligence;
- Customer refunds linked to Rider misconduct, late delivery, or food handling failures;
- Loss, damage, or theft of meals due to Rider negligence;
- Penalties arising from documented policy violations;
- Recovery of any overpayments made to the Rider in error.

Where applicable, deductions may be applied to current or future payouts. eat4me will provide a record of any deduction applied. Riders may dispute deductions in accordance with Section 7.6.

7.6 Payment Disputes

- Riders must report payment disputes within fourteen (14) days of the relevant payment statement being made available through the rider dashboard.
- Disputes must include supporting details such as order IDs, delivery timestamps, and any other relevant evidence.
- eat4me shall investigate and resolve disputes within a reasonable timeframe, typically within fourteen (14) business days of receiving complete dispute information.

Failure to report disputes within the stipulated period may result in forfeiture of the claim.

eat4me's records shall serve as primary reference in resolving payment disputes.

7.7 Taxes & Statutory Obligations

Riders acknowledge and agree that they are independently and solely responsible for declaring all income earned through the eat4me platform to the relevant tax authorities, paying all applicable taxes, levies, and statutory contributions, and complying with all tax-related laws and regulations of the Republic of Ghana. eat4me does not withhold income tax, social security contributions, or any other statutory deductions on behalf of Riders and bears no liability for Rider tax non-compliance.

7.8 No Employment Benefits

Payments made to Riders are contractor compensation for services rendered and do not constitute wages, salaries, or employment income. Riders are not entitled to any employment benefits, including but not limited to paid leave, sick pay, health insurance coverage, pension or retirement benefits, or any statutory employment entitlements under Ghanaian labour law.

7.9 Right to Modify Compensation Structures

eat4me reserves the right to modify compensation models, incentive programs, or payout mechanisms at its reasonable discretion. Any material changes to compensation structures shall be communicated to Riders through official channels with reasonable notice before taking effect.

8. Insurance & Liability

8.1 Rider Responsibility for Insurance

Riders acknowledge and agree that they are solely responsible for maintaining all insurance coverage required by law or reasonably necessary to perform delivery services, including but not limited to:

- Vehicle insurance appropriate for commercial delivery use (where applicable);
- Personal accident or health insurance to cover injury during delivery operations;
- Third-party liability insurance for damages caused to others or their property.

Important: eat4me does not provide any insurance coverage for Riders, their vehicles, their personal property, or third parties unless expressly stated in a separate written agreement. Riders operate without eat4me insurance protection and must make their own arrangements.

8.2 Assumption of Risk

Riders expressly acknowledge that delivery services carry inherent risks including road accidents, personal injury, theft, environmental hazards, and food handling incidents. By registering and operating as a Rider, you voluntarily assume full responsibility and risk for all delivery-related activities and their consequences.

8.3 Limitation of eat4me Liability

To the maximum extent permitted by applicable law, eat4me shall not be liable for:

- Any personal injury, death, illness, or disability suffered by Riders during or in connection with delivery services;
- Damage or loss to Rider vehicles, equipment, or personal property;
- Missed delivery opportunities, reduced earnings, or income loss;
- Any indirect, incidental, special, consequential, or punitive losses arising from delivery activities.

This limitation applies whether such losses arise from negligence, accident, third-party actions, or any other cause.

8.4 Third-Party Claims

Riders are solely responsible for any claims, damages, penalties, or liabilities arising from traffic violations, accidents involving third parties or their property, and property damage caused during delivery operations. eat4me shall not be named as a party to such claims unless required by a court of competent jurisdiction.

8.5 Indemnification

Riders agree to fully indemnify, defend, and hold harmless eat4me, its directors, officers, employees, and partners from and against all claims, losses, damages, penalties, expenses, and legal fees arising from Rider negligence, misconduct, traffic violations, accidents, or breach of these Terms. This indemnification obligation survives termination of the Rider's account.

8.6 Cooperation with Investigations

Riders agree to cooperate fully and promptly with eat4me and relevant authorities in the investigation of accidents, incidents, claims, or complaints related to delivery activities. Failure to cooperate may be treated as a material breach of this Agreement.

8.7 No Liability for Rider Earnings Loss

eat4me shall not be liable for loss of income or earnings due to accidents, suspension, platform downtime, reduced demand, technical issues, or any other circumstances affecting delivery availability.

8.8 Survival of Obligations

The indemnification, insurance, and liability obligations under this section shall survive termination, suspension, or delisting of the Rider's account indefinitely.

². Equipment & Maintenance

².1 Rider-Provided Equipment

Riders acknowledge and agree that they are solely responsible for providing, owning, or legally accessing all equipment necessary to perform delivery services, including:

- A roadworthy delivery vehicle (motorbike, bicycle, or other eat4me-approved means);
- A smartphone compatible with the eat4me rider application and capable of maintaining a stable data connection;
- Mobile data or internet access sufficient for platform use during delivery operations;
- Appropriate safety gear including helmets, reflective vests, and any other legally required protective equipment.

eat4me is under no obligation to supply, fund, or contribute to any equipment unless expressly agreed in a separate written agreement.

9.2 Condition & Maintenance Standards

- All equipment used for deliveries must be safe, clean, and properly maintained at all times.
- Vehicles must remain roadworthy and compliant with all applicable traffic, safety, and emissions regulations.
- Delivery bags and containers must be suitable, clean, and food-safe for transporting prepared meals.

Failure to maintain equipment standards may result in suspension from the platform until the issue is resolved.

9.3 Inspection & Compliance Rights

eat4me reserves the right to request proof of vehicle condition or roadworthiness, conduct inspections or request photographic evidence of equipment, and suspend Rider access where equipment poses a safety or hygiene risk. Such inspection rights are exercised as a platform quality measure and do not constitute supervision or control of the Rider's independent operations.

9.4 Costs & Expenses

Riders are solely responsible for all costs and expenses associated with delivery operations, including fuel, vehicle repairs and servicing, insurance premiums, mobile data usage, and replacement of worn or damaged equipment. eat4me shall not reimburse such expenses unless explicitly agreed in writing.

•

9.5 Company-Branded Equipment

Where eat4me provides branded items such as delivery bags or uniforms:

Such items remain the property of eat4me at all times;

- Riders must use branded items solely for authorized eat4me deliveries;
- Loss, deliberate damage, or misuse of company-branded items may result in replacement charges, deductions from payments, or account suspension;
- Company-branded items must be returned promptly upon account termination or delisting.

9.6 Loss, Theft & Damage

Riders bear full responsibility for loss, theft, or damage to personal equipment, company-issued items in their possession, and customer or chef property in their care during delivery. eat4me shall not be liable for such losses.

9.7 Equipment-Related Suspension

eat4me may immediately suspend a Rider where their equipment is deemed unsafe, unfit for purpose, or non-compliant with platform or legal standards. The Rider may return to active status only after demonstrating that the equipment has been brought into full compliance.

10. Suspension, Termination & Delisting

10.1 Grounds for Suspension or Termination

eat4me may suspend, deactivate, or terminate a Rider's account at its sole discretion for reasons including but not limited to:

- Breach of any provision of these Terms & Conditions;
- Repeated failure to complete accepted deliveries without valid justification;
- Fraud, misrepresentation, or manipulation of delivery records or platform data;
- Unsafe or reckless behavior during delivery operations;
- Violation of traffic or safety laws while operating as a Rider;

-
- Non-compliance with platform policies, equipment standards, or food hygiene requirements;
- Providing false, misleading, or incomplete information during registration or any subsequent verification;

Account sharing, operating under another Rider's credentials, or allowing unauthorized platform access.

10.2 Immediate Termination — Zero Tolerance

eat4me reserves the right to immediately terminate a Rider's account without prior notice in cases involving:

- Engaging in criminal activity while performing delivery services;
- Endangering customers, chefs, or members of the public through reckless or violent conduct;
- Theft, tampering with meals, deliberate damage to orders or platform assets;
- Physical or verbal abuse, threats, or harassment of any person encountered during delivery;
- Misuse of confidential customer, chef, or platform information;
- Data breaches, unauthorized system access, or hacking attempts.

Immediate termination does not relieve the Rider of any financial, legal, or contractual obligations incurred prior to termination.

10.3 Temporary Suspension

A temporary suspension may occur for investigation of policy violations, safety concerns, pending documentation compliance, or customer complaints. During suspension, Riders may be restricted from accessing the platform, receiving delivery requests, or receiving payments for pending deliveries. Suspension may be lifted at eat4me's discretion once the Rider is confirmed to be compliant with all requirements.

10.4 Effects on Pending Deliveries

Upon suspension or termination, Riders must immediately cease all delivery activities. Any accepted but undelivered orders must be communicated to eat4me immediately for

•
reassignment. Riders remain liable for any incomplete or mishandled deliveries incurred before the effective date of suspension or termination.

10.5 Effect on Payments

Riders shall receive payment for completed deliveries up to the date of suspension or termination, subject to any lawful deductions or dispute adjustments. eat4me reserves the right

to withhold payments pending investigation of damages, policy breaches, or unresolved disputes until full resolution.

10.6 Rider Delisting

Delisting refers to permanent removal of a Rider from the eat4me platform. Delisted Riders are prohibited from creating new accounts without express written approval from eat4me. Delisting may result from repeated violations, criminal activity, sustained failure to meet operational standards, or any conduct deemed by eat4me to present an unacceptable risk to the platform, its users, or the public.

10.7 Right to Appeal

Riders may contact eat4me support to seek clarification or appeal a suspension or termination decision. eat4me will endeavor to respond to appeal requests within fourteen (14) business days of receipt. eat4me reserves the right to uphold, modify, or reverse its decision based on its investigation. Reinstatement is not guaranteed and is at eat4me's sole discretion.

10.8 Survival of Obligations

Rider obligations relating to confidentiality, indemnification, payment disputes, intellectual property, and liability survive suspension, termination, or delisting and remain in full force indefinitely.

11. Ratings, Reviews & Performance Monitoring

11.1 Purpose of Monitoring

eat4me monitors Rider performance to maintain high-quality service standards, ensure customer satisfaction and safety, identify areas for Rider improvement, and protect the integrity and reputation of the platform. Monitoring includes but is not limited to customer feedback and ratings, delivery completion times and accuracy, and incidents or complaints reported by customers, chefs, or eat4me staff.

11.2 Ratings & Reviews

- Customers may rate Riders based on punctuality, professionalism, food handling, and overall delivery experience.

- Ratings are intended to provide constructive performance feedback and may affect access to delivery requests, incentive eligibility, or promotional opportunities.
- Riders acknowledge that ratings reflect customer subjective experience and are considered final unless a legitimate factual dispute is formally submitted through the platform's dispute mechanism.

11.3 Performance Standards

Riders are expected to meet minimum performance standards as determined by eat4me, including on-time deliveries, order accuracy and completeness, safe and hygienic handling of meals, and professional conduct with customers and chefs. Persistent failure to meet standards may result in performance warnings, temporary suspension, or permanent delisting in cases of repeated serious violations.

11.4 Feedback & Dispute Resolution

Riders may respond to ratings or complaints via the official platform dispute mechanism within the timeframe specified by eat4me. All disputes will be investigated by eat4me, and decisions are final and binding on the Rider unless otherwise required by applicable law.

11.5 Data Collection & Use

eat4me collects performance data to analyze trends, improve operations, and enhance customer experience. This data may also be used to allocate deliveries fairly, determine eligibility for bonuses or promotions, and enforce compliance with platform policies. Riders consent to the collection, storage, and processing of performance data in accordance with eat4me's Privacy Policy and applicable data protection laws.

11.6 Corrective Action & Improvement

Riders who fail to meet performance expectations may be required to participate in training or operational briefings, address specific conduct or service deficiencies, and submit additional documentation or verification as needed. Failure to comply with corrective action measures may result in further disciplinary action, up to and including permanent termination.

11.7 No Guarantee of Ratings or Rewards

Ratings and feedback do not guarantee continued delivery opportunities, promotions, or incentives. eat4me reserves the right to adjust operational metrics, evaluation criteria, and incentive structures at its discretion with reasonable notice to Riders.

12. Platform Use & Conduct

12.1 Authorized Platform Use

Riders are granted a non-exclusive, non-transferable, limited, and revocable right to access and use the eat4me platform strictly for the purpose of performing delivery services in accordance with these Terms. Riders agree to use the Platform only for lawful and authorized delivery activities, follow all instructions, policies, and operational guidelines issued by eat4me, and protect the integrity, security, and functionality of the Platform at all times.

12.2 Prohibited Activities

Riders shall not engage in any activity that:

- Constitutes fraud, misrepresentation, or deception of any party;
- Harasses, intimidates, threatens, or abuses customers, chefs, or fellow Riders;
- Circumvents platform mechanisms, manipulates delivery data, or attempts unauthorized access to any system;
- Uses the Platform for non-delivery purposes or commercial gain outside eat4me;
- Introduces malware, viruses, or any harmful software into the Platform;
- Engages in spamming, phishing, or unauthorized communication with platform users.

12.3 Protection of eat4me Systems & Data

Riders are responsible for safeguarding login credentials and account security, reporting any unauthorized access, security breach, or technical issue immediately to eat4me, and ensuring that devices used to access the Platform are secure and free from malware. Riders must not attempt to extract, copy, modify, sell, or distribute proprietary eat4me data, software, or intellectual property.

12.4 Compliance with Law

Riders must comply with all applicable local, regional, and national laws and regulations, traffic and safety regulations applicable to delivery vehicle operation, and food handling, health, and hygiene laws where applicable. Failure to comply may result in suspension, termination, or legal liability.

12.5 Monitoring & Enforcement

eat4me may monitor platform activity, delivery patterns, GPS data, account activity, and customer complaints to detect misuse, ensure compliance, and maintain service quality. Any violations may result in warnings, temporary suspension, or permanent termination.

12.6 No Unauthorized Representations

Riders shall not make representations, statements, or commitments on behalf of eat4me to any third party. Riders may not use eat4me branding, logos, or promotional materials in any personal or commercial capacity without prior written authorization from eat4me.

12.7 Reporting Misconduct

Riders are encouraged to report fraudulent activity, safety hazards, platform abuse, or misconduct by other Riders, customers, or chefs through official eat4me support channels. Reports made in good faith will be treated confidentially and investigated promptly.

13. Intellectual Property & Content Rights

13.1 Ownership of eat4me Platform and Brand

All intellectual property including the eat4me name, logo, branding, mobile application, website, software, designs, graphics, text, and proprietary technology is owned exclusively by eat4me or its licensors. Riders do not acquire any ownership rights in the platform or its intellectual property by registering, using the platform, or completing deliveries.

13.2 License to Use Platform

Riders are granted a limited, non-transferable, non-exclusive, and revocable license to access and use the platform solely for performing authorized delivery services. This license does not permit copying, reverse-engineering, modifying, sublicensing, or creating derivative works from the platform or its content. The license terminates immediately upon suspension, termination, or delisting of the Rider's account.

13.3 Rider-Provided Content

Riders may provide certain content to the platform such as profile images, videos, or servicereLATED updates ("Rider Content"). By submitting Rider Content, Riders grant eat4me a

worldwide, royalty-free, transferable, sublicensable, and perpetual license to use, reproduce, distribute, display, or modify Rider Content for platform operations, marketing, promotion, or service improvement purposes.

13.4 Restrictions on Use of Brand Assets

Riders must not use eat4me branding, logos, or trademarks in any manner not expressly authorized in writing. Unauthorized use of eat4me intellectual property may result in immediate suspension, termination, or legal action including claims for damages and injunctive relief. Riders may not create social media pages, promotional materials, or commercial ventures using eat4me intellectual property without express prior written consent.

13.5 Protection of eat4me Intellectual Property

Riders must report any infringement or unauthorized use of eat4me intellectual property they become aware of and must avoid actions that could harm, dilute, or misrepresent the platform's intellectual property rights.

13.6 Survival of Intellectual Property Rights

The rights and obligations under this section survive the termination or suspension of a Rider's account indefinitely.

14. Data Protection & Privacy

14.1 Collection and Use of Rider Data

eat4me collects personal information from Riders during registration and throughout their use of the platform, including identification details, contact information, vehicle and licensing documents, location data during active deliveries, and performance and delivery records. This information is used to operate the platform, process payments, monitor performance, ensure safety and compliance, and improve services.

14.2 Rider Data Rights

Riders have rights over their personal data in accordance with Ghana's Data Protection Act, 2012 (Act 843), including the right to access, correct, and request deletion of personal

information held by eat4me. To exercise these rights, Riders may contact eat4me using the details provided in these Terms.

14.3 Customer Data Protection

Riders may access customer personal data — including names, addresses, and phone numbers — solely for the purpose of completing the specific delivery for which the data was provided.

Riders must not retain, copy, share, sell, or use customer data for any other purpose.

Breach of this obligation constitutes a serious violation of these Terms and of Ghana's Data Protection Act, 2012, and may result in immediate termination and legal action.

14.4 GPS and Location Data

By using the eat4me rider platform, Riders consent to the collection of GPS and location data during active delivery sessions. This data is used to facilitate order coordination, monitor delivery progress, resolve disputes, and improve platform operations. eat4me will not use Rider location data for purposes unrelated to platform operations without Rider consent.

14.5 Reference to Privacy Policy

For full details on how eat4me collects, uses, stores, and shares personal data, Riders should refer to the eat4me Privacy Policy, which forms part of this Agreement and is available on the eat4me platform.

15. Dispute Resolution & Governing Law

15.1 Internal Dispute Resolution

In the event of any dispute, complaint, or disagreement arising out of or relating to a Rider's use of the eat4me Platform, the Rider agrees to first attempt to resolve the matter through eat4me's internal dispute resolution process. Complaints must be submitted through eat4me's official support channels with accurate and complete information. eat4me will review and respond within a reasonable timeframe.

15.2 Mandatory Internal Resolution Before Legal Proceedings

Before initiating any legal proceedings, Riders must first exhaust eat4me's internal complaint resolution process. eat4me reserves the right to require mediation or arbitration as a precondition to any court proceedings, where permitted by applicable Ghanaian law.

15.3 Escalation Procedure

Where a dispute cannot be resolved through internal channels, the matter may be escalated to eat4me's management for formal review. eat4me may request additional documentation, statements, or evidence, and Riders agree to cooperate fully throughout the escalation process.

15.4 Alternative Dispute Resolution

eat4me reserves the right, at its discretion, to refer disputes to mediation or arbitration prior to litigation, where such resolution is deemed appropriate and permitted by applicable law. Participation in alternative dispute resolution does not waive eat4me's rights to seek judicial remedies.

15.5 Governing Law

These Terms and any dispute arising from or related to them shall be governed by and construed in accordance with the laws of the Republic of Ghana, without regard to conflict of law principles.

15.6 Jurisdiction

The parties agree that the courts of the Republic of Ghana shall have exclusive jurisdiction over any legal proceedings arising out of or relating to these Terms, except where alternative dispute resolution has been mutually agreed.

15.7 Limitation Period

Any claim or action arising out of or related to the Rider's use of the Platform must be commenced within the limitation period prescribed under applicable Ghanaian law. Claims not brought within the applicable period shall be permanently barred.

15.8 Continued Performance During Dispute

During the pendency of any dispute, the Rider agrees to continue complying with these Terms and fulfilling delivery obligations unless access to the Platform has been suspended or terminated by eat4me.

3. Amendments & Updates

eat4me reserves the right to amend, modify, update, or replace these Terms and Conditions at any time, as deemed necessary for operational, legal, regulatory, or business reasons.

16.2 Notification of Changes

eat4me will notify Riders of material changes to these Terms through in-app notifications, email or SMS communication, and updates posted on the eat4me website or rider dashboard. eat4me will provide reasonable advance notice of material changes where practicable. Minor or administrative updates may take effect without individual notice.

16.3 Effective Date of Amendments

Amendments shall become effective on the date specified in the notice or, where no date is specified, immediately upon publication on the Platform.

16.4 Acceptance Through Continued Use

A Rider's continued access to or use of the Platform after any amendment constitutes full acceptance of the revised Terms. Riders who do not agree with updated Terms must discontinue use of the Platform immediately and may request account closure.

16.5 Rider Responsibility

Riders are responsible for reviewing these Terms regularly to remain informed of updates or changes. eat4me recommends that Riders review the Terms at least once every sixty (60) days.

17. Force Majeure

17.1 Definition of Force Majeure Events

eat4me shall not be held liable for any failure or delay in the performance of its obligations under these Terms where such failure or delay results from events beyond its reasonable control ("Force Majeure Events"), including but not limited to:

³ .1 Right to Amend Terms

- Acts of God including floods, earthquakes, storms, and fires;
- Power outages or network failures;
- Internet or telecommunications disruptions;
- Government actions, lockdowns, or regulatory changes;
- Strikes, labor disputes, or civil unrest;
- Epidemics, pandemics, or public health emergencies;
- Accidents or system-wide platform outages beyond eat4me's reasonable control.

17.2 Effect of Force Majeure

During a Force Majeure Event, eat4me's obligations under these Terms shall be suspended for the duration of the event, no liability shall arise for delays, cancellations, or inability to provide access to the Platform, and Riders shall not be entitled to compensation for losses or earnings resulting from such events.

17.3 Notification

Where reasonably practicable, eat4me will notify Riders of the occurrence of a Force Majeure Event through official communication channels as soon as possible.

17.4 Resumption of Services

Upon cessation of the Force Majeure Event, eat4me shall resume normal operations as soon as reasonably possible.

17.5 Right to Terminate

If a Force Majeure Event continues for an extended period and materially affects Platform operations, eat4me reserves the right to suspend or terminate Rider access without liability.

18. Notices & Communication

18.1 Official Communication Channels

All official notices, instructions, and communications from eat4me to Riders shall be delivered through one or more of the following channels:

- In-app notifications on the eat4me Platform;
- Email messages sent to the registered email address;
- SMS or phone calls to the registered phone number;
- Notices published on the eat4me website or rider dashboard.

18.2 Rider Contact Information

Riders are responsible for ensuring that their contact details are accurate, complete, and up to date at all times. eat4me shall not be liable for missed notices or communications resulting from outdated or incorrect contact information provided by the Rider.

18.3 Deemed Receipt of Notices

Notices shall be deemed received immediately when delivered via in-app notification, within twenty-four (24) hours when sent via email or SMS, and upon publication when posted on the eat4me Platform or website.

18.4 Rider-Initiated Communication

Riders must communicate with eat4me only through authorized official channels. Unauthorized public statements, social media posts, or third-party communications purporting to represent eat4me or its policies are strictly prohibited and may result in disciplinary action.

18.5 Language of Communication

All official communications shall be conducted in English unless otherwise stated by eat4me.

18.6 Record Keeping

eat4me may retain records of all communications for compliance, training, quality assurance, or dispute resolution purposes in accordance with applicable data protection laws.

19. Miscellaneous Provisions

19.1 Severability

If any provision of these Terms is found to be invalid, unlawful, or unenforceable under applicable law, such provision shall be severed, and the remaining provisions shall continue in full force and effect without modification.

19.2 Waiver

The failure of eat4me to enforce any right or provision of these Terms shall not constitute a waiver of such right or provision, nor shall it prevent future enforcement of that or any other provision.

19.3 Entire Agreement

These Terms constitute the entire agreement between eat4me and the Rider regarding the use of the Platform and supersede all prior agreements, understandings, or representations, whether written or oral, relating to the subject matter of this Agreement.

19.4 Assignment

Riders may not assign, transfer, or delegate their rights or obligations under these Terms without prior written consent from eat4me. eat4me may freely assign or transfer its rights and obligations at its sole discretion, including in the event of a business restructuring, merger, or acquisition.

19.5 Relationship of Parties

Nothing in these Terms shall be construed as creating an employer-employee relationship, partnership, joint venture, or agency relationship between eat4me and the Rider. The Rider is and shall remain an independent contractor at all times.

19.6 No Third-Party Beneficiaries

These Terms are intended solely for the benefit of eat4me and the Rider and do not create any rights or benefits for third parties, including customers, chefs, or delivery partners.

19.7 Headings

Section headings are provided for convenience only and shall not affect the interpretation of these Terms.

19.8 Survival

Any provisions which by their nature should survive termination — including liability, indemnification, intellectual property, data protection, confidentiality, and dispute resolution — shall survive termination of this Agreement and remain in full force indefinitely.

19.9 Execution & Acceptance

By registering as a Rider or continuing to use the eat4me Platform, the Rider confirms that they have read, understood, and agreed to be bound by these Terms and Conditions in their entirety.

Platform Disclaimer

eat4me is a technology marketplace platform. eat4me does not employ delivery riders. All riders operate as independent contractors and are solely responsible for their own safety, insurance, tax obligations, vehicle maintenance, and regulatory compliance.

eat4me does not provide insurance coverage for riders, their vehicles, or third parties. Riders assume full personal risk for all delivery-related activities. eat4me's liability is strictly limited to its role as a technology platform facilitator, as set out in these Terms.

Customer personal data accessed by Riders during delivery operations must be used solely for completing the relevant delivery and must not be retained, shared, or misused in any way.

Unauthorized use of customer data constitutes a breach of these Terms and of Ghana's Data Protection Act, 2012 (Act 843).
